Summer 1992**

37430

Good morning driver. You'll need to prepare 37430 on Fort William Depot before we work 1Y12 throughout to Glasgow. Regular 37 haulage on daytime services over the WHL ended in January 1989 and their return in the summer of 1992 to work 1Y12 and 1Y13 for a number of months was welcome! Today you'll be at the controls of 37430 for over 4 hours and will begin from Fort William at 09:00, calling en route at: Spean Bridge, Roy Bridge, Tulloch, Corrour, Rannoch, Bridge of Orchy, Upper Tyndrum, Crianlarich, Arrochar and Tarbet, Garelochhead, Helensburgh Upper, Dumbarton Central, Dalmuir and Glasgow Queen Street where we're due to arrive at 12:55. Good luck!
